The 2014 Homecoming Coronation was held Monday night at the GHS Gym. The 2013 royalty, Mason Madsen and Cheyenne Schaller, returned to turn their reigns over to Ashley Gibbs and Spencer Knecht.

There were seven team introductions. Reid Johnson talked about the band. The GHS Marching Band will be the fourth one at the Gypsy Day Parade on October 4 in Aberdeen. The band will also perform at the Festival of the Bands on October 10 as there are 17 area bands confirmed and the USD Marching Band will also make an appearance.

Chelsea Hanson talked about volleyball with 10 seniors on the squad. Adam Franken talked about a young cross country team with 17 runners on the squad. Shaun Wanner talked about football and had his head shaved at the event. Mike Becker said the boys soccer team has 10 seniors and Corey Harder said the girls soccer team has three seniors. Greg Kjellsen said there are no seniors on the golf team and mentioned that Cade Guthmiller hit a Hole-In-One in practice at the Olive Grove Golf Course.

The junior boys performed a skit. Jerica Locke and Gavin Kahli presented the scrolls. Tom and Patti Woods are the parade marshalls. The cheerleaders had a dance and led the school song played by the GHS pep band. Erin Smith played the music while the candidates were introduced. They were Maryn Howard and Logan Lane, Kasey Waage and Wyatt Larson, Sydney Thorson and Spencer Knecht, Courtney Kurtz and Chance Strom and Ashley Gibbs and Gabriel Dohman.

Mike Weber was the master of ceremony.

## Huss takes over as administrator at Golden LivingCenter

Ted Huss has recently taken over as the executive director of the Golden LivingCenter in Groton.

The Faulkton native is a graduate of Northern State University with a Bachelor of Arts degree in Sociology/Criminal Justice. He became a reserve police officer for the Aberdeen Police Department and then became a full-time officer for four years. He then moved to Sioux Falls where he was an officer for the Lennox Police Department.

Huss decided he want a career change, so he went to work for the South Dakota Board of Medical and Osteopathic Examiners for four and one-half years and attended grad school at the University of South Dakota with a master of Business Administration: Health Services Administration specialization. He graduated from USD in December 2012 and became the executive director in training at the Golden LivingCenter in Clark. It is a six month training period and after his training, he was transferred to Groton. He is also the interim executive director at Ipswich, renting a home in Aberdeen. He was looking for a house to rent in Groton, but at the time, rental homes were hard to come by.

"Health care is going and changing," Huss said. "I'm not here for me. I'm here for the residents." His dad, Jerry Huss, was the hospital administrator at Faulkton and Britton and Huss said he ended up following his dad's footsteps in the health care field.

Huss' time in Groton has been, in his words, "Great. I like visiting with the residents and it's fun to interact with them, especially when they find out I'm from Faulkton and a lot of people know someone from Faulkton. The staff is great to work with."

The Groton site is licensed for 45 residents and currently have 40 residents. Staffing remains a concern; although Huss added that staffing is an industry problem. "South Dakota has a low unemployment rate so there are not many people looking for jobs," he said. "It takes the right person to take care of the residents and to do the small things that will put a smile on their face."

Recently, the Groton Golden LivingCenter has participated in the Alzheimer's fund-raiser where Groton staff and residents raised \$3,000. "We will be presenting that check Saturday at the Alzheimer's walk at Wylie Park in Aberdeen on Saturday," Huss said. The walk begins at 10 a.m. Groton has an Alzheimer's wing. Leslie Smith has been the director the Alzheimers Unit since April 2013 and Michele Herr has been the Director of Nursing since May 2013.

## Yeatons move on to Welcov in Flandreau

Tim and Malerie Yeaton have made their move to Flandreau. Tim has been administrator of the Golden LivingCenter in Groton since 2010. He is managing the Flandreau campus of Welcov, which was previously owned by the Janklow's and was run by Bill Janklow's sister. "I have some pretty big shoes to fill," Tim said.

The manager of Welcov in Flandreau called Tim about coming to work there. "He said I think you would be a good fit and this what we can offer you," Tim said of the conversation. "It was one of those things I couldn't say no, too."

Leaving Groton was a challenge for the Yeaton's. "I saw myself sticking around here and teaching music again," Malerie said. "When I resigned, we had no intentions of moving. I was going to be a stay-at-home mom. But God chose a different path for us. It all started to change at the end of June. It was really out of the blue."

The Yeaton's moved to Groton after Malerie had a job teaching K-12 music in Webster and at the time, Tim had no job. "I graduated from college in May of 2010 and got into the house in Groton. It was probably overbudget for newly weds," Malerie said. "We got married in July and four days later, we were living in Groton, and the rest is history."

"I really love Groton," Tim said. "It's probably one of the nicest looking communities in the state for being clean and kept up." Tim was also an EMT for the Groton Rescue Squad and was also on the fire department. "The day we moved here we went to the Jungle and the first person we met in Groton was Dion Bahr, the fire chief," Malerie said remembering the day. "Tim's been on the department ever since." Tim also said he was involved with the Groton Area Chamber of Commerce.

Janet Harder then retired from music and Malerie became the fulltime music teacher. She started the Chamber Choir. "That was a little idea that I had," she said. "Then we started caroling. It's fun to work with kids that I can give them any piece of music and they want to work on it and they'll do it justice."

For Tim, the challenges will be the same in Flandreau as they are in Groton, and elsewhere in the state. "Long term care is a tough place to find staff," he said. "Every company is having problems."

Tim will have his hands full in Flandreau. Welcov has a nursing home, independent living apartments, multiple homes that have been converted into apartments and they have their own home health care system - all of which Tim will be overseeing.

"It's going to be different," Tim said. "Golden LivingCenter is the third largest nursing company in the nation with 304 nursing homes - and that's just the nursing home side. I'll be going to a smaller company where there will be more things to get done."

Tim was the administrator at both Groton and Ipswich. Ted Huss will be the administrator in Groton and will be an interim at Ipswich until they find their own administrator. Huss began his job August 25 in Groton and worked for a week while Tim was still here. "That doesn't happen too often," Tim said. "He has family in town and that was a draw for him." One thing Tim said that he will not miss is the travel. He said he put on 300 miles a week between Groton and Ipswich.

Malerie said, "For right now, I'm going to be a stay-at-home mom and eventually have a private piano studio."

The Yeaton's have bought a house in Flandreau and will be taking possession of that on October 1.

I love this time of the year. As the crops turn and the nights cool it is just an exciting time. It will soon be harvest and the cycle of life will complete for another year. Take time to enjoy the beautiful sights and activities. The only downside is that the mosquitos have made a comeback and the allergy season can create problems for some of us. Administer the proper care and you can still enjoy this wonderful time of the year. Frost will be here soon enough and it will take care of those evil critters.

It has been another busy and exciting week as your District 2 State Senator. With the fall comes football and with football comes homecomings and the excitement that comes with all the activities. The parades are a great time and it is wonderful to see so many people out enjoying the marching bands, the color guard, the flags, and the other wonderful sights and sounds. It is also great fun to visit with so many people and to find out what their concerns are. Good luck to all the communities as you host these grand events.

I attended the Northern Electric Annual Meeting in Aberdeen on Wednesday night. It was a good time with many turning out to enjoy great food and to listen to the exciting things that are going on with this progressive organization. They are dedicated to providing dependable service to rural areas and they continue to upgrade how they deliver them to the residents of rural SD. I am reminded of what it took for us to get the rural areas electrified. It wasn't easy and we must not forget how important it is for us to have dependable and affordable electric service. Thank you for the

great job you do for us. It was announced at the meeting that Jim Moore will be retiring in January. Congratulations to Jim on a lifetime of commitment to rural electric issues and thank you for your service and dedication.

As I get out and about the area I am very often asked questions about the EB-5 program. It is an issue that plagues SD and we must find the answers to the many questions. EB-5 stands for Employment Based-5th category and it is a controversial part of the nation's immigration system. It allows aliens to invest \$500,000 to secure green cards for the entire family. In all states except SD, Vermont, and Michigan the state government plays no role in the program. It is complicated but there are reports that SD may have lost between 120 and 140 million dollars that should have been in the state treasury. For two years we have been pushing for a forensic investigation. The majority party continues to stop us at every attempt that has been made. It certainly seems that in the interests of open government we would be in favor of the transparency that would come from such a close look at what has been happening in this area. There are too many questions and the public wants to know the answers. This has not been a request by just the minority party as it is bipartisan. \$120 million dollars could be put to work in a lot of ways to help the state of SD.

The coming weeks will bring more excitement and debate as we gear up for the election on November 4th. Be sure to get registered and remember to vote. Early voting started on September 19th.

Thank you.

Sincerely,  
 Chuck Welke

## Groton Boys Soccer Beats Freeman Academy Record Now 6-2-1

The Groton Boys Soccer Team beat Freeman Academy on Saturday September 20th in Freeman. The day was extremely windy which increased the difficulty of scoring as well. The Tigers dominated the game; the GHS team had possession of the ball most of the game and had several shooting attempts. Freeman played a tightly packed defensive game but the Tigers' Tyler Scott with an assist by Wyatt Kurtz scored in the 35th minute of the second half. The Tigers have home games this week on Tuesday against Mitchell Christian and on Thursday against James Valley Christian. On Saturday, the Tigers travel to Tea for the final regular season game of the year.

## Groton Area spoils Redfield-Doland's homecoming

The Pheasants were flying high with homecoming fever, but then the Tigers came to town to have lunch and captured 21 points while leaving the home team with only six in football action Friday in Redfield.

Spencer Knecht scored first with 4:01 left in the first quarter when he dashed 21 yards with Jacob Milbrandt kicking the PAT. It was 7-0, Groton Area, at half time.

"I think the turning point for us was the third quarter," said Coach Shaun Wanner. "We took the opening kickoff and marked it down to score and took nine minutes off the lock and had five or six key first downs. We went up 14-0 and it took them out of their game." Knecht would score again on a two-yard run with 3:29 left in the third quarter. Milbrandt kicked the PAT.

"It's always a close game with Redfield," Wanner said. "Every time we go to Redfield it's a hard fought fight. We have not won many games in Redfield, but our kids played well and we're getting better as the season goes on."

Groton Area almost got a safety in the endzone, but the Pheasants fumbled the ball and Carter Jondahl recovered the fumble on the one-yard line. Knecht made it a clean sweep in scoring for Groton as he scored on a one-yard run with 3:45 left in the game and Milbrandt once again kicked the PAT to make it 21-0.

Redfield-Doland would score with 2:59 left in the game on a one yard pass play from Alan Masat to Carter Klapperich. It was 14-6 after the third quarter.

Groton had 17 first downs compared to 12 for Redfield-Doland.

In rushing, Groton Area had 52 carries for 225 yards. Jackson Doeden had 30 carries for 126 yards, Knecht had 11 carries for 81 yards, Bennett Shabazz had seven carries with 25 yards and Kelby Hawkins had five carries for a minus seven yards.

Redfield-Doland had 30 carries for 91 yards. Jake Babun had 14 carries for 45 yards and Ephram Albrecht had three carries for 25 yards.

Jackson Doeden completed one of two passes for 14 yards and Kelby Hawkins was one for one for 11 yards. Chance Strom had one catch for 11 yards and Knecht had one for 14 yards.

Alan Masat completed four of 22 passes for the Pheasants for 77 yards and Kyle Stover completed one of two for 20 yards. Pass receivers for the Pheasants were Stover with one catch for 35 yards, Albrecht with one catch for 34 yards, Sully Masat had one for 20 yards and Carter Klapperich had two for eight yards.

Groton had four fumbles, but lost only one. Redfield-Doland lost one fumble. Groton had four penalties for 40 yards and Redfield-Doland had eight for 55 yards.

Defensive leaders for Groton Area were Nick Dalchow, Jackson Doeden and Spencer Knecht with nine each, Carter Jondahl with seven and Jacob Merkel with six. Leaders for Redfield-Doland were Cooper Babun with 16, Sully Masat with 16 and Albrecht with 10.

"Our offensive line played well the whole game and our defensive line played well in the second half. Our tackling is getting better and is our offense," Wanner said.

Groton, now 2-2 on the season, will host Sioux Valley in Groton Area's homecoming game. "The kids remember the game from last

year where we lost with no time left on the clock. Sioux Valley won their first game last night against a good Flan-dreau team," Wanner said. "It is our homecoming week and our kids a pretty good at keeping their focus on the game. We want them to have fun this week, but also have to keep in mind the game for Friday night." Redfield-Doland, now 1-3, will be at Chamberlain.

## Milbank Area beat Groton Area in Volleyball

Milbank Area showed its force Thursday night as the visiting Bulldogs defeated Groton Area in volleyball action, 3-0.

"Milbank is a good team and they played well," said Coach Chelsea Hanson. "Good teams know how to exploit weaknesses and they did that to us tonight. We got caught standing on defense a lot and they kept putting the ball where we weren't."

Milbank took a quick 17-5 lead in the first game. Groton rallied to make it 18-10, but the Bulldogs went on to win the first game, 25-17.

The Lady Tigers battled the Bulldogs with in a closer battle in the second game. The game was tied at 3, 7 and 10 with two lead changes before Milbank scored seven straight points to take an 18-10 lead. "They had some big hitters who had great matches and we give them credit for that," Hanson said, "however we made a lot of mistakes at key points in the match and couldn't keep any momentum."

Milbank Area went on to win the second game, 25-19.

Groton Area kept it close for the first part of the third game, but Milbank Area rallies shut down the Tiger momentum as the Bulldogs won the third game, 25-13.

"We are still an inexperienced team and it's going to take some time for the girls to learn how to play with each other," Hanson said. "We will probably see Milbank again in the region tournament and I think we can give them a much better game."

In sets, Groton was 88 of 88 with 13 assists. Courtney Kurtz had 84 sets with 11 assists. Milbank was 88 of 88 with 26 assists, all by Mikaela Hoeke.

Groton was 43 of 51 in serves with seven ace serves. Josie Doeden was eight of 10 with three ace serves and Audrey Wanner was eight of 11 with two ace serves. Mackayla Schuelke was 11 of 11 in serves with three ace serves to lead the Bulldogs.

Groton was 86 of 104 in spikes with 15 kills. Tori Bjerke was 15 of 17 with five kills and Kurtz was nine of nine with four kills. Milbank had 36 kills with Brittany Ackerman being 30 of 34 in spikes with 26 kills.

Wanner had one block for Groton and Kaley Withers and Brittany Ackerman each had one for Milbank.

Groton had 84 digs with Kasey Waage having 34, Wanner 17 and Ashley Gibbs 13. Milbank had 59 digs with Ackerman and Caryssa Mielitz each having 12 for Milbank.

Groton is 3-2 on the season while Milbank is 5-3.

"To win games we have to serve and hit aggressively and limit our errors" Hanson said. "We just didn't do that tonight. I have confidence in this team, they just have to have it in themselves."

Groton won the junior varsity match, 25-18 and 25-20. Groton also won the C match by game scores of 25-20 and 20-14.

## Junior high football teams split with Redfield-Doland

Eighth graders win, 18-6, seventh graders lose, 12-6.

7th grade game was 12 to 6 with Redfield ahead at the half, that is the way it ended. Groton had a golden opportunity to score in the second half getting down to just a few inches from the goal line, but Redfield made a good defensive stand. Darien Shabazz scored the lone TD for Groton on a run. Wesley Jacobs had an interception from his defensive line position.

These are the 7th grade FB players: Thomas Cranford, Kayde Stange, Noah Tullis, Grady O'Neil, Anthony Schinkel, Austin Jones, Jameson Stange, Cole Johnson, Darien Shabazz, Peyton Johnson, and Johnny Doeden.

The 8th grade game was knotted up at half at 6 to 6. Groton came out in the second half and got a couple scores due to mainly big runs by Lucas Hinman. Hinman scored all three touchdowns on rushing attempts. Groton also played pretty good defense holding a good Redfield team in check for the rest of the game. Tylan Glover and Hinman led in tackles from their defensive positions. Korbin Blackmun also made some key defensive plays from his cornerback position, getting an interception and knocking down a couple other pass attempts by Redfield.

These are the 8th grade FB players: Tylan Glover, Lucas Hinman, John Achen, Wesley Jacobs, Korbin Blackmun, Treyton Diegel, Clark Gibbs, and Wyatt Locke.

# No Homecoming Dance

The expence of having a homecoming dance and the lack of interest in having one has caused the student council to not have one this year. Instead, they will be having "Battle of the Classes" Thursday afternoon with grade 9-12 competing and grade 6-8 competing. Float building will take place Friday morning with the homecoming parade set for 1 p.m.

Janel Lone and Shelby Hendrickson talked about the fifth grade. Band in the fifth grade will be moved up to October which will give the students more time to practice. Robotics will be offered again in January to the fifth grader. There are 44 students in the fifth grade.

Beth Gustafson is in her 10th year as Wellness and Health Services director at Groton Area. The district

**Shelby Hendrickson and Janel Lone gave the fifth grade presentation to the Groton Area School Board Monday evening.**

will be getting three new AEDs, replacing two old ones. One will be at the ticket booth, one by Connie Stauch's office and one at elementary school. There is also one in the copy room. AEDs they have now are discontinued and they don't know how long they will have the supplies for these units. The two old ones could be used at other locations in the community as long as supplies are available. The rescue squad is at home football games and they do carry an AED.

Gustafson also reported that the district is now able to have an Epipen. One will be at the elementary school and one at the high school. If someone is having an allergic reaction, they can get a shot with the Epipen.

Flu shots will be offered October 9 for the staff and for students nine years of age and older. During Parent-Teacher Conferences (Nov. 13) the flu shot will be offered to anyone six months to 18 years. Parents can also get the flu shot but there will be a \$25 fee.

During the review of policies, board member Merle Harder said he would like to see cell phones to be banned from school. Middle/High School Superintendent Anna Schwan said there have been three incidents in school. Most of the issues happened outside of school and are being brought to light at school. The board did not make any change and cellphones will be allowed per policy.

The elementary school will be receiving office and school supplies courtesy of 3M. It is a rotation process and it was seven years ago when Groton last received this gift. It amounts to three pallets of supplies.

The budget was approved in the amount of \$7,275,764. That is up by \$16,090 from the published budget in July. There will be no increase in the tax levy request as the valuation of the district is up. The 2014 valuation was \$771,319,615. The estimated 2015 valuation is \$911,874,975.

"We are in very good shape," said Business Manager Mike Weber. He also pointed out the funds that could get redistributed if the state legislature makes changes in its state aid and that amounted to \$825,000. Those funds come from utility taxes (\$560,000), traffic fines (\$48,500), wind farm revenue (\$170,000) and bank franchise tax (46,000). Those funds would be taken from the district, put into the state fund and the redistributed throughout the state. Groton could lose nearly all of those funds under the redistribution program.

Ordinance No. 695  
An Ordinance Entitled: "An Ordinance Amending the 2012 Revised Ordinances For the City of Groton As It Pertains To House Numbering."

Be It Ordained By the City of Groton that the following paragraph be added in section 9-1-4 to read as follows:

9-1-4: Building Numbering.  
a) Addresses for dwelling units and places of business on all public and private streets shall be assigned by the Finance Officer in accordance with the procedures adopted by the City of Groton.

b) Within thirty(30) days of notification of the address by the Finance Officer, the owner, occupant, person, firm, corporation or business in charge of any house or building to which an address has been assigned must place or construct such numbers as to be easily visible and distinguishable from the street or avenue on which the property is located. Any other numbers must be removed to avoid confusion.

c) The numbers shall be less than three (3) inches in height and of a contrasting color to the background. The numbers shall be read horizontally from left to right or vertically from top to bottom. The numbers in plain, block, vertical (not slanted) font are preferred. The property owner, occupant, or person in

charge of the structure shall pay for all costs and installation of the numbers.

c) In case a principle building is occupied by more than one business or family dwelling unit, each separate unit must display a separate unit number.

d) If the building or dwelling is situated in such a way that the address can not be easily seen from the roadway in front of said structure, then a sign or address post must be used in front of the structure or at the entrance of the primary driveway and place in such a way that it can easily be seen from the roadway.

e) New structures must comply with this ordinance within 30 days of occupancy.

f) In the event that the owner of occupant or person in charge of any dwelling or building refuses, fails, or neglects to comply with the terms of this ordinance by placing the number assigned or replacing the number if necessary, a notice shall be sent to the property owner by first class or certified mail or by personal service giving ten days after date of the notice to comply. Failure to comply with this notice will result in a fine not to exceed \$50 for each offense and each day in violation constitutes a separate offense.
