

Groton to get traffic lights at 12 & 37 in 2016

The South Dakota Department of Transportation is seeing property owners along SD Highway 37 in Groton as the state explains what is going to happen in the project area. About half of the property owners made an appointment to visit with DOT officials. According to Neil Schochenmaier, Road Design Supervisor, that is a normal turnout. Everyone was called in the affected areas.

One of the rumors floating around that was reported at the city council meeting was that the school would have to move the west side fence and crows nest. Schochenmaier said that is false. The fence and crows nest do not encroach into the state's right-of-way. Only one or two trees on the north end might have to go.

Another rumor floating around is that traffic lights will be installed at the intersection of US 12 and SD 37. That is correct. Schochenmaier said that today's stats do not need traffic lights, but he said that the expected increase in truck traffic to the ethanol plant will warrant traffic lights. Turning lanes will also be added on US 12 and in order for that to happen, US 12 will be widened 12' on the north side, going east and west for about 500'. Four new arms will be installed at the intersection. The two existing arms are not long enough to place traffic lights in the center of the turning lane.

There will be sidewalk installed on the east side of SD 37 from Railroad Avenue, north all the way to US 12, and then turn east for one block to tie into the existing sidewalk on the south side of US 12. Normally, the sidewalk is at or one inch higher than the curb; however, with the steep ditches, Schochenmaier said that the sidewalks will be about five to six inches lower than the curb, reducing the amount of fill. From the curb, there will be a 5' boulevard followed by a 5' sidewalk. Sidewalk will also be installed on the west side from Railroad Avenue north to Sixth Avenue West.

SD37 will be closed during construction. There will be graveled crossings to get from the west side to the east side of town.

Sidewalk is 5' boulevard and 5' sidewalk. It will be about 5-6 inches lower than the curb to help reduce the amount of fill that will be needed. Normally the sidewalk is at the same level or an inch or two higher than the curb.

Bids for the project will be let in early 2016 with construction to begin after the winter weather leaves.

School board approves four assistant wrestling coaches

Lance Hawkins, Randy Kurtz, Baker Harr and Corbin Surat were approved as volunteer assistant wrestling coaches. It was reported there are eight wrestlers out this year. Harr will be the designated assistant coach that can be on the mat during matches.

Superintendent Joe Schwan gave his report on the governor's budget address. It includes a 2 percent increase in state aid to education which would amount to \$4,876.76 per student.

Schwan reported that he sent out three draft versions of the 2015-16 school calendar and said that so far, he has received 15 feedbacks and said that there is a "complete lack of consensus" at this point. Schwan said he hopes to have a single draft proposal for the school board at its January meeting.

Can you believe there are Camels in South Dakota?! The United Methodist Church in Webster had a Christmas nativity scene event at the church Sunday. They featured live animals including a couple of camels. The camels come from Brookings where they are raised. Inside the church, they had the full event in the basement, complete with beggars, merchants, guards, tax collectors and at the end was the baby Jesus with Mary, Joseph and the angel.

Mr. and Mrs. Claus were at the Weber Landscaping open house held Saturday in Groton. Jeslyn and Julianna Kosel had their picture taken with the Clauses.

Elementary Principal Dan Dalchow reported the elementary enrollment has dropped by one, losing two in Pre-K and gaining a second grader. He reported that the Elementary PAC will purchase a banner for AR to be hung in the gym and they will purchase additional ball chairs to replace the damaged ones.

Anna Schwan, middle/high school principal, reported that the FCCLA collected 80 bags of food which were distributed within the community. The third through sixth graders will be attending the high school play performance, "Honk" on Dec. 9.

Dick and Gert Ruden want to give a large amount of money to the school with the interest amounting to \$2,500 each year for two scholarships. It is a perpetual fund and will be held with Edward Jones.

The Robotics team have requested to use the school van and buy the fuel instead of paying the mileage. It would be \$200 in gas versus over \$800 for mileage. Other organizations pay off the mileage chart; however, Robotics does not get any school funding like the other organizations. "It's a great program," Joe Schwan said. "They are doing things with the robots that will take them places." Board member Kelly Kjelden said he would prefer to stay with the mileage chart for this year. There was discussion of having the Robotics team make a request to the board to be a school sponsored event in the spring. "It's the dollar sign that's not the issue," said Board Member Dorene Nelson. "It's consistency with our policy."

The Life of Robert John Ball

The funeral service for Robert John Ball, 86, Ferney, was held Saturday, December 6, 2014 at the Emmanuel Lutheran Church in Groton. Pastor Elizabeth Johnson officiated. Robert died on Wednesday, December 3, 2014 at Avera St. Luke's Hospital, Aberdeen.
Robert John Ball, son of Frank E. and Bertha (Quandahl) Ball was born on September 10, 1928 on the family homestead near Ferney, SD. He attended school in Verdon and Ferney and went on to graduate from Groton High School in 1946.

Robert was united in marriage to the love of his life, Merry Jo Jensen on November 12, 1955 in Brentford, SD. They made their home on the family farm which was homesteaded by the Ball family in 1882 and raised their children.

Robert loved the farm, being outdoors and playing Scrabble without keeping score. He especially enjoyed hunting, fishing and ice fishing. Robert was a life time member of Emmanuel Lutheran Church in

Groton.
Grateful for having shared Robert's life are his wife of 59 years, Merry Jo Ball, Ferney; two children, Carol (Rod Zastrow) Johnson, Nisswa, MN; and Alan (Nina) Ball, Fridley, MN; and 3.95 grandchildren.

Robert was preceded in death by his parents, two brothers, Henry and Leonard, one sister, Lenora, two sons, Mike and Eddy, one grandson, Luke, one son-in-law, Brad, two nephews, Roger and Larry and one niece Loretta.

In lieu of flowers, Robert's family prefers memorials to any organization or the Faith Forever Fund at Emmanuel Lutheran Church.
